**INTERIM CONSOLIDATED AND COMPANY FINANCIAL STATEMENTS
(UNAUDITED)**

30 SEPTEMBER 2009

AUDITOR'S REPORT ON REVIEW OF INTERIM FINANCIAL STATEMENTS

To the Shareholders and the Board of Directors of True Move Company Limited

I have reviewed the accompanying consolidated and company balance sheets of True Move Company Limited and its subsidiaries and of True Move Company Limited, respectively, as at 30 September 2009 and the related consolidated and company statements of income for the three-month and nine-month periods ended 30 September 2009 and 2008, and the related consolidated and company statements of changes in shareholders' equity, and cash flows for the nine-month periods ended 30 September 2009 and 2008. These financial statements are the responsibility of the Company's management. My responsibility is to issue a report on these interim financial statements based on my reviews.

I conducted my reviews in accordance with the standard on auditing applicable to review engagements. This standard requires that I plan and perform the review to obtain moderate assurance as to whether the interim financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit, and accordingly, I do not express an audit opinion.

Based on my reviews, nothing has come to my attention that causes me to believe that the interim financial statements referred to above are not presented fairly, in all material respects, in accordance with generally accepted accounting principles.

Without qualifying my review report, I draw attention to note 21 to the interim financial statements. There are uncertainties in respect of significant outstanding lawsuits and commercial disputes in relation to access charge. The ultimate outcome of such lawsuits and commercial disputes cannot presently be determined and no provision for any liability that may result has been made in the financial statements.

I have audited the consolidated and company financial statements for the year ended 31 December 2008 of True Move Company Limited and its subsidiaries and of True Move Company Limited, in accordance with generally accepted auditing standards and expressed an unqualified opinion with an emphasis of matter paragraph as well as the above fourth paragraph on those statements in my report dated 25 February 2009. The consolidated and company balance sheets as at 31 December 2008, presented for comparative purposes, are part of the financial statements that I have audited and on which I issued a report as stated above, and I have not performed any other auditing procedures subsequent to the date of that report.
